Whether you're an old friend or new to us, **Welcome!**

You should have been here the night the Door department worked after hours to meet our deadline- we all had grilled hamburgers, **it was like a big family** working together... ..Or the time Bill got his custom mouldings in 24 hours by promising us donuts the next morning...it

really tickled Bill and we were licking our fingers!...

...Wish you could have seen the children the night of our company picnic. They loved the train rides. That sparkle in their eyes **gives us a reason to do it right for them... and for you.**

We're about more than custom Wood Doors and Mouldings... **Teamwork makes the difference.**
